WHERE FOOD, EVENTS AND VIBES CONNECT.

Park Side Social stands for modern gastronomy, international flavors, and contemporary event culture in the heart of the city. Its central location, short distances, and excellent connectivity make the venue easily accessible, both nationally and internationally.

Vibrant by day, exclusive by night: Flexible spaces, open show kitchens, and an urban setting create the perfect backdrop for special events. A place where culinary experiences, atmosphere, and good vibes come together.

EVENT VENUES

For your event, Park Side Social offers four versatile event spaces: the Lounge, the Red Room, the Blue Room, and the Green Room. Each space has its own distinct character and can be flexibly adapted to suit a variety of event formats.

FLYING

The Flying concept deliberately avoids fixed seating arrangements and focuses on an open layout with standing and networking areas. Food is served as a flying buffet or from food stations. This setup is particularly suitable for receptions, networking events, after-work gatherings, or casual get-togethers that encourage movement and lively interaction.

MIXED

This concept combines seated dining areas with high tables and open networking zones. It creates a balanced mix of structure and flexibility. Ideal for events where both shared dining and informal networking are key elements, such as business events, productive evening gatherings, or informal celebrations.

FINE-DINE

With the Fine Dining concept, the space is fully arranged with elegantly set banquet tables. The seated setup creates a refined, sophisticated atmosphere and allows for a calm and focused event flow. This setup is particularly well suited for exclusive dinners, business meals, served menus, or festive occasions with a clearly structured program.

THEATER

The theater-style setup arranges all seats facing a presentation area or stage. It provides optimal visibility and a clear focus on the content. This setup is ideal for presentations, lectures, panel discussions, keynotes, or smaller-scale training sessions.

LOUNGE

The lounge on the ground floor is the heart of the arrival experience. Every event begins here with a special atmosphere: relaxed, inviting, and stylish. Warm colors, high-quality lounge furniture, and open social spaces create the perfect setting for first conversations, informal networking, and a welcome that makes guests feel at ease from the very first moment.

Whether used as an exclusive reception area, networking space, bar lounge, or for smaller event formats, the lounge combines modern hospitality with urban design and offers space for personal connections in an exceptional setting.

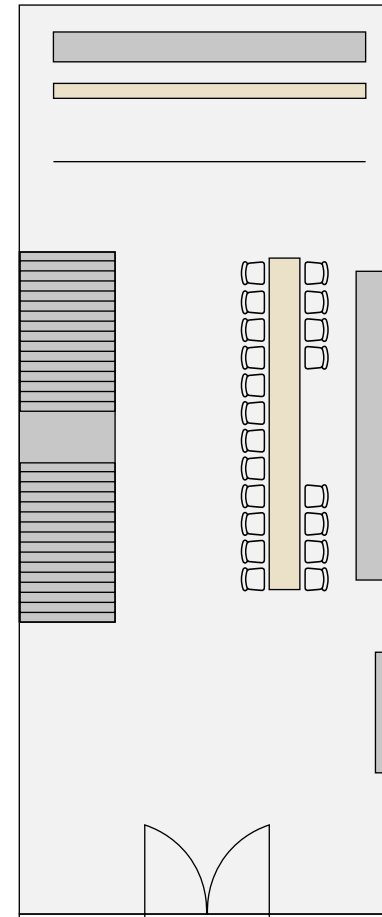

This is where the first conversations take place, often shaping the entire evening.

RED ROOM

The Red Room is the largest event space at Park Side Social, designed for events that bring people together and leave a lasting impression. Spanning 420 square meters, it combines modern design, striking red accents, and an open lay-out to create a venue full of energy and possibilities.

Whether for a kick-off event, client gathering, summer party, product launch, or festive dinner, the Red Room provides the space for big ideas and memorable experiences. A central bar, inviting social areas, and flexible seating arrangements create an atmosphere where connection, enjoyment, and inspiration come together naturally.

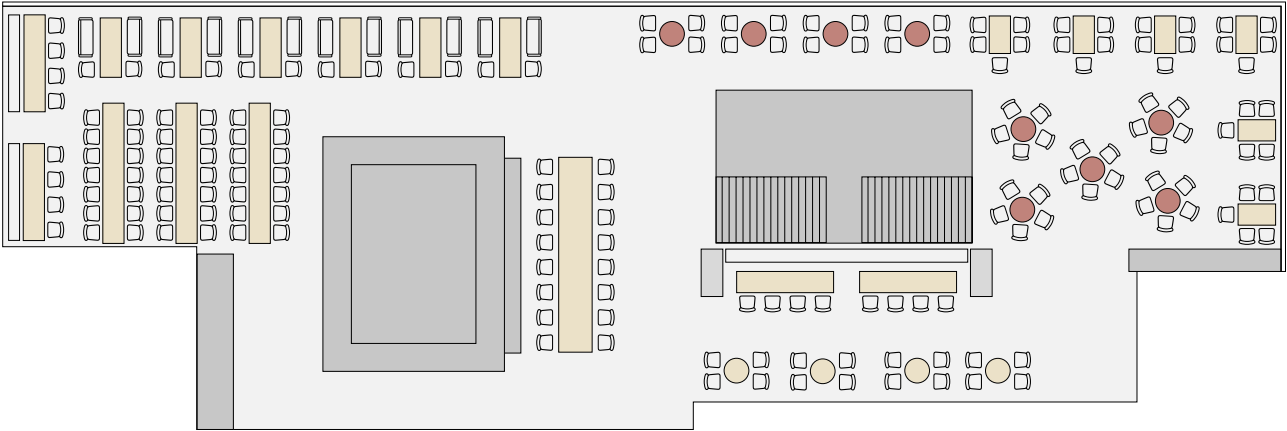

Bright and open during the day, vibrant and atmospheric in the evening, the Red Room becomes the stage for events that make an impact and remain memorable long after they are over.

BLUE ROOM

The Blue Room provides the ideal setting for events where content takes center stage. Its calm, sophisticated atmosphere creates the perfect environment for workshops, meetings, presentations, and exclusive business formats.

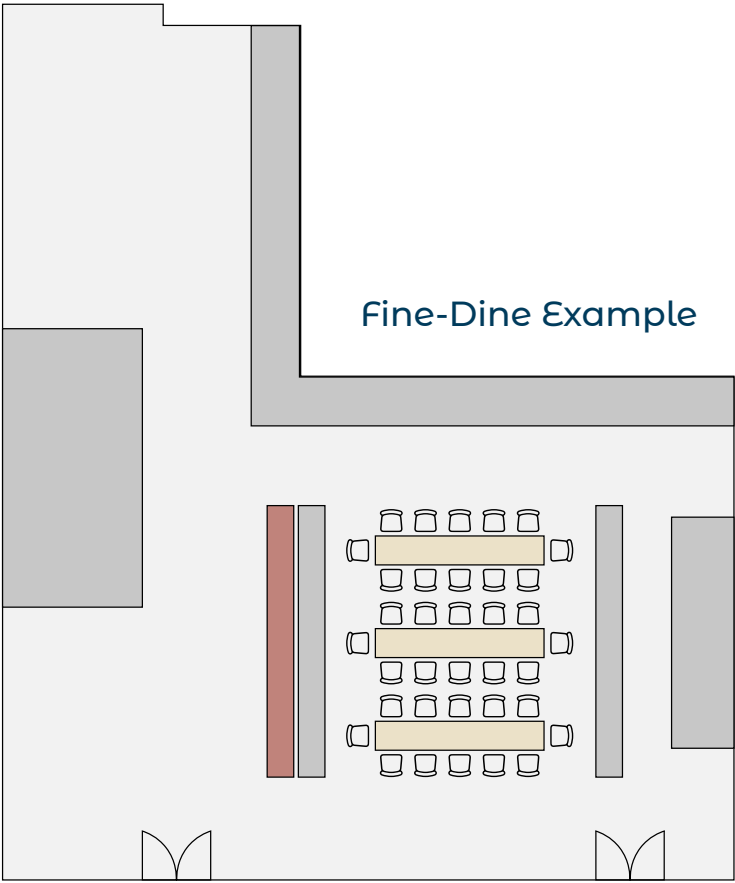

Spanning 300 square meters, the space offers an environment that supports focused work as well as inspiring exchange. Flexible room configurations, modern amenities, and a welcoming atmosphere encourage productive discussions and the development of new ideas.

Whether for a board retreat, client workshop, or executive dinner, the Blue Room provides the space where decisions are made and perspectives grow.

ADD- ONS

We support the customization and enhancement of events, planning each occasion with a flexible and tailored approach.

Whether through special event concepts, additional technical equipment, or supplementary event spaces, every solution is implemented individually to meet specific requirements.

We are happy to provide catering ourselves, while also being open to working with external caterers. Through our established network of professional partners, we can also arrange experienced service providers in lighting, sound, technical support, floristry, decoration, and event furnishings whenever needed.

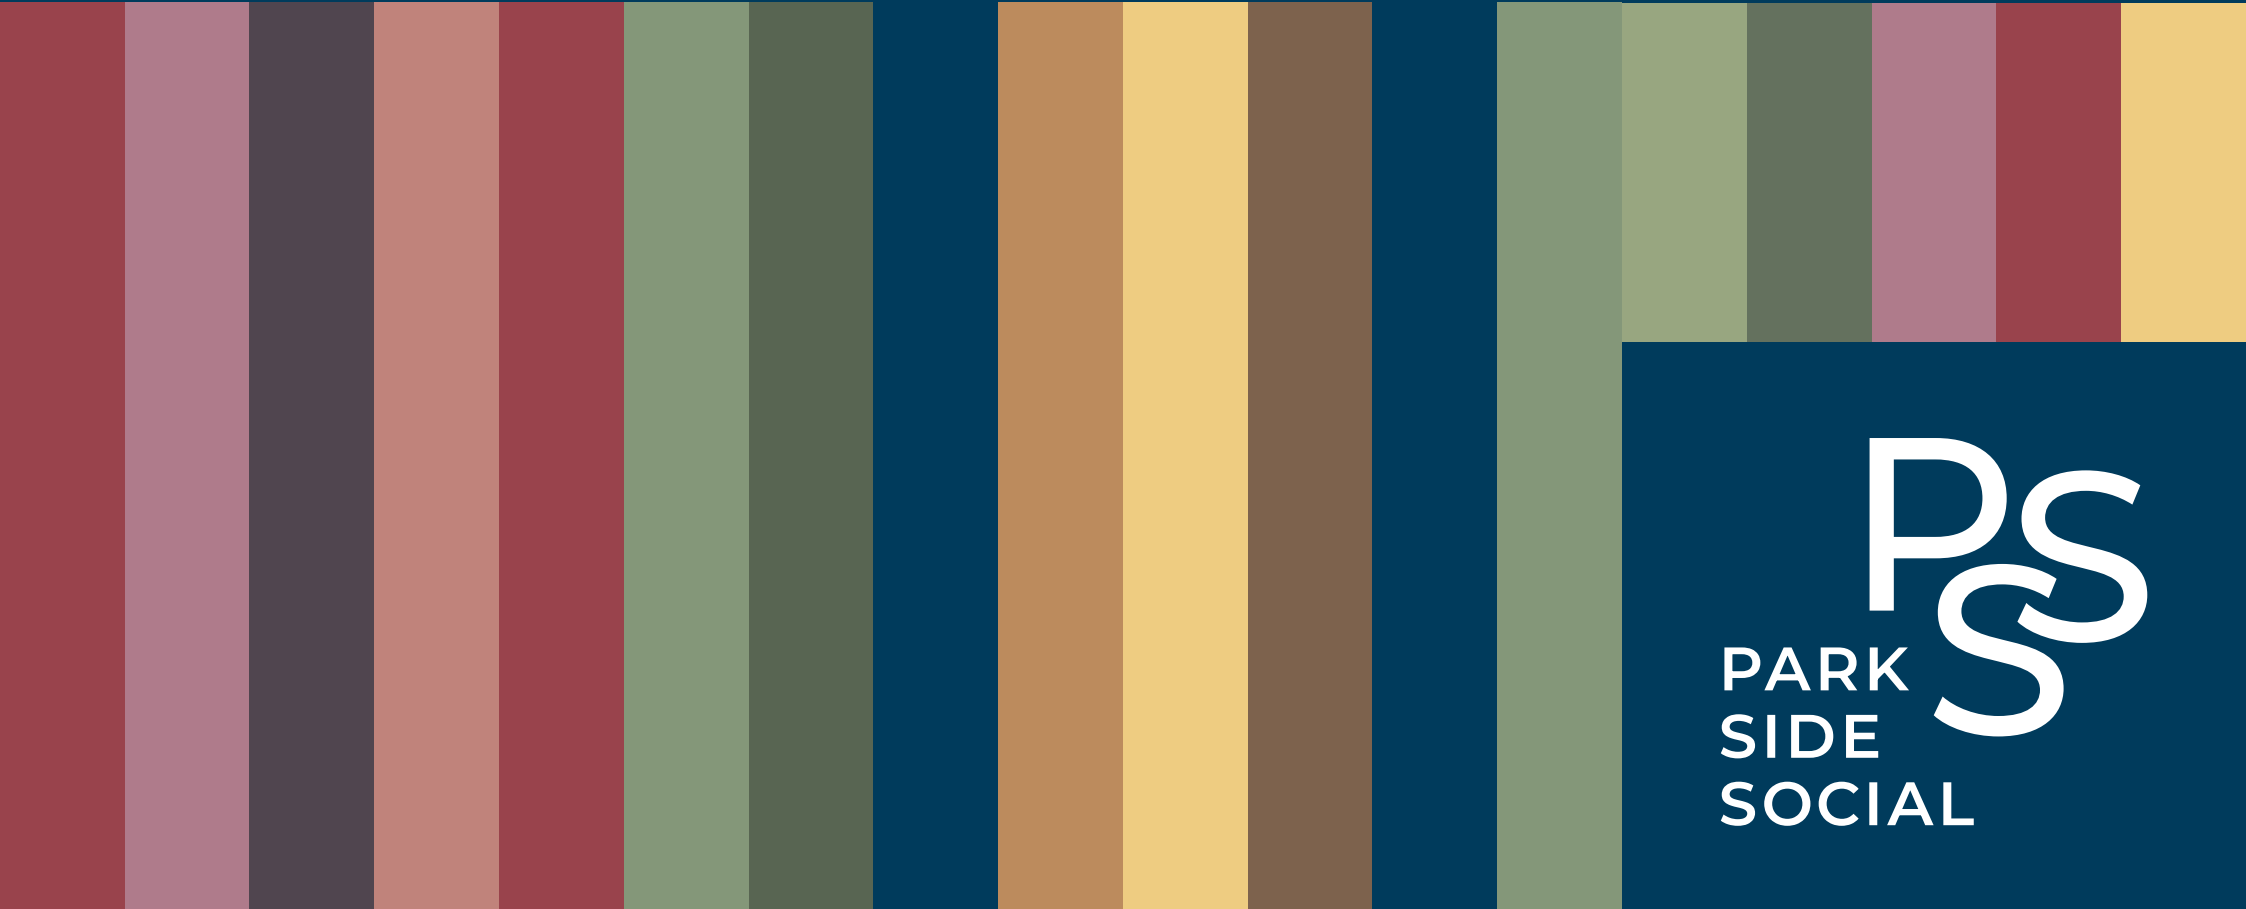

All add-ons are available as optional services and are carefully aligned with the respective event concept, ensuring cohesive events with a personal touch and a high standard of quality.
